

Safety and Reliability in Engineering Summer Seminar 2015 (SARiESS 2015)

Poland, Krakow, September 21-30, 2015
AGH University of Science and Technology (AGH UST),
UNESCO Chair for Science, Technology and Engineering Education,
Av. A. Mickiewicza 30, PL 30-059 Kraków, bld. U2/ 204
www.unesco.agh.edu.pl

PROGRAM (draft version v01)

21.09.2015

08.00-22.00, participant arrival, accommodation at the AGH UST Student Campus
09.00-09.15, Opening ceremony SARiESS 2015, seminar programme
09.15-14.00, Introduction to Safety and Reliability in Engineering
13.00 - 16.00, Krakow city tour (free time)

22.09.2015

09.00 – 14.00, Good Practice in Engineering Reliability

23.09.2015,

09.00 – 15.00, New Tools in Engineering Practice

24.09.2015

09.00 – 13.00, Engineering Practice for Safety and Reliability in Industry

25.09.2015

09.00 – 14.00, Safety and Green Surroundings: Practical training and Case study

26.09.2015

09.00-14.00, Individual consultation, materials preparation for round table discussion

27.09.2015

10.00-13.00, Individual consultation, materials preparation for round table discussion

28.09.2015

09.00 – 13.00, Safety and Reliability in Engineering Practice, Workshop and Training

29.09.2015

09.00 – 13.00, Students Research Achievements in Engineering, Workshop

30.09.2015

09.00 – 12.00, Safety and Reliability Challenges in Engineering
12.00 – 12.30, Conclusions, Final remarks, Seminar closing ceremony
